Emergency Contact Name/Number_____(_____)_____

Please list any medications <animal> is currently taking and when they are to be given while boarding: _____

We are a FLEA FREE FACILITY! All animals will be treated with Capstar when checking in and upon discharge to keep fleas out of your home too!

Murphy Veterinary Hospital will take all precautions while boarding <animal> to prevent disease, but occasionally hidden medical conditions can be exposed while your pet is boarding with us. Realizing that these problems can occur during or after boarding, with younger or older animals being more susceptible, I hereby grant permission for Murphy Veterinary Hospital to perform emergency veterinary care on <animal>, if necessary.

I will assume full financial responsibility for any necessary veterinary services performed on <animal> while boarding. In the event of emergency evacuations due to a tropical storm or hurricane threatening our area, be advised that the owner and employees of Murphy Veterinary Hospital may not have access to your animal for a period of time. We will do everything possible to safeguard your pet(s) while boarding under these situations.

I have received a copy of Murphy Veterinary Hospital’s Boarding Policy.
